

不怕严寒酷暑
用比克达锂电池

A+800
智能驻车锂电池
Smart ParkingLithium Battery
8kWh

A+800 智能驻车锂电池 Smart Parking Lithium Battery

- 超大能量储备：8kWh磷酸铁锂电池，支持卡车长时间驻车用电需求。
Large Energy Reserve: 8kWh storage capacity, supports long-term truck parking electricity needs.
- 全气候可靠运行：-40℃至60℃极端温度下性能不打折。
All-Climate Reliability: Consistent performance from -40℃ to 60℃.
- 强效启动：耐受2000A浪涌。低压点火，一键增强。
Superior Starting Power: Withstands 2000A starting current , One-click boost function enables strong starts even at low voltage!
- 军工级耐用设计：IP65防护外壳，抗冲击耐腐蚀，适应复杂环境。
Robust Design: IP65-rated casing, impact/corrosion resistance, Adapt to complex environments.
- 低温加热保障：内置190W加热模块，严寒环境下电池性能稳定如一。
Low-Temperature Heating: Built-in 190W heating module ensures performance stability in cold.

系统能量 System Power	8kWh
内置电池技术 Cell Type	LFP/314Ah
额定电压 Rated Voltage	25.6V
IP等级 IP Rating	IP65
温度范围 Temperature Range	-40℃~60℃
最大电压 Max Voltage	29.2V
最大持续充电电流 Max. Continuous Charge Current	200A
最大持续放电电流 Max. Continuous Discharge Current	200A
最大启动电流 Max. Starting Current	700A(50s)
瞬间启动电流 Starting Surge Current	2000A
远程控制 Communication	GPS
加热 Heating	190W
尺寸 Dimensions	500 × 336 × 230mm
重量 Weight	~59Kg
强制启动 Forced Start	Yes
应用 Application	卡车电源 Truck Power
